Technical Requirements

Ms. magazine is produced with digital "file to plate" technology. Please pay careful attention to the following guidelines for advertising art.

Please Do

- Supply artwork as a MAC formatted Quark or InDesign document (100 MB zip disks accepted, CDs are preferred)
- Provide all necessary fonts, including printer and screen fonts
- Provide all necessary images as TIFF or EPS files, in CMYK format 300 dpi at print size
- Specify all colors as standard process color (CMYK)
- Include a hard copy proof with your disk: match print or Kodak approval for color ads, Photostat, or laser print for B & W
- Double-check that your ad is to the proper dimensions
- Provide complete directory of disk
- PDFs will be accepted, for distilling requirements please email our printer at prepress@kellypress.com

If you have questions about producing or sending your ad, please call Michel Cicero 310-556-2515 or email mcicero@msmagazine.com

Please Do Not

- Supply fonts or images that are not part of your ad
- Provide laser output or photocopied material as "camera-ready"
- Send images in JPEG
- Supply artwork with PMS colors

NOTE: For materials supplied requiring sizing to standards or mechanical labor, conversion to CMYK substitution for missing fonts, etc. a \$50 flat fee will apply.
